PUBLIC TRANSPORT

Walking from Central Station (<10 minutes)

Paushuize is at a 10-minute walk from Central Station. From the main hall of the station, follow the signs for 'Centrum' in the direction of the Hoog Catharijne shopping mall. After the Blokker, turn right in the direction of the Godebaldkwartier. Follow the exit 'HC-uitgang Moreelsepark'. At the end of the traverse, you will find escalators. Turn left at the bottom of the escalators and cross at the traffic lights. Go straight onto the Mariaplaats and turn right when you cannot go any further. Take the first on the left after 50 meters (Zadelstraat) in the direction of the Domtoren. Pass under the Domtoren and turn right onto the Domplein. You will pass the Academy building on your left-hand side and then turn left onto the Trans. At the end of the street, you will find Paushuize on your left-hand side; it is the building at the corner of the Pausdam and the Kromme Nieuwegracht.

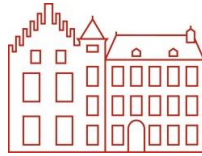

By bus from Central Station (<10 minutes)

At the station, take a bus to the Janskerkhof from the platform on the Jaarbeurszijde (for example, bus numbers 74, 50, 28, 52). Get off at the Janskerkhof bus stop and walk straight ahead into the Korte Jansstraat; this street will change into the Domstraat. Then, turn left into the Voetiusstraat and then right into the Achter Sint Pieter street, which changes into the Pausdam. At the end of the street, you will find Paushuize on your left-hand side; it is the building on the corner of the Pausdam and the Kromme Nieuwegracht

At this moment, Paushuize can only be reached from the Nieuwegracht, due to municipal construction work on the wharves. From the corner of the Tolsteegsingel/Maliesingel, you cross the Abstederbrug and drive onto the Nieuwegracht. You can go all the way up to the Pausdam. From here, you can go right onto the Kromme Nieuwegracht, then immediately turn left over the bridge and under the gate of the Kromme Nieuwegracht 49.

Here you can unload your things in the courtyard. Or, in case you reserved one of the limited number of parking spots, you can park here. Public parking in the vicinity of Paushuize is very limited, so we recommend the following alternatives.

At the end of this street, you will find the Paushuize on your left-hand side; it is the building on the corner of the Pausdam and the Kromme Nieuwegracht.
