

Itinerary Geertekerk

The Geertekerk is located in the historical city center of Utrecht. Although easily accessible, we recommend travelling by public transport.

Walking from Utrecht Central Station

Leave the station at the 'Centrum' side. Turn right at Stationsplein, towards Moreelsepark. Go down the stairs and turn the first street to the left, keeping the Moreelsepark on your right-hand side. Cross the bridge at the traffic lights and turn right at the Rijnkade. After approximately 600 meters, you find the Geertekerk on your left.

By car

The nearest parking garage is Parkeergarage Springweg, located at less than 10 minutes walking from the Geertekerk. We recommend you to enter 'Mariaplaats' in your navigation system and follow the P-signs from there.

From the garage you head back to the Springweg via the Strosteege. Turn left onto the Springweg and walk down to the end, ignoring all side streets. After crossing the Lange Smeestraat, you will arrive at the back of the church. Cross the Geertekerkhof to the right, with the church on your left. After passing the pump and walking around the verger's house, you will find the church's entrance.
